

DRIVEN BY A PASSION FOR PERFECTION and a Commitment to custom design solutions

**We Supply a full range of Valves, Flowmeters, Pumps,
Mobile Fueling Stations, Mobile Cabin accommodation
Containers, Diesel Filter Skids, LPG Skids, Loading Arms,
Complete Petrol Station products & Fuel Dispensers.**

LPG, LNG Turn-Key projects,
Gas pressure regulators, Ex-
proof portable led lights, Ex-
proof Mobile phones, taps, Air
Conditioners, & more...

PRODUCTS

FLOW METERS:

PD high accuracy Flowmeters
Lightweight PORTABLE Gravity
Flowmeter.
Oil & Gas Flowmeters; Vortex, Turbine,
& UltraSonic meters.

Petrol Station Fuel Dispensers & Automation system:

Fuel Dispensers, Submersible pumps,
Hoses, Nozzles, underground piping
system, Automation system, and
accessories.

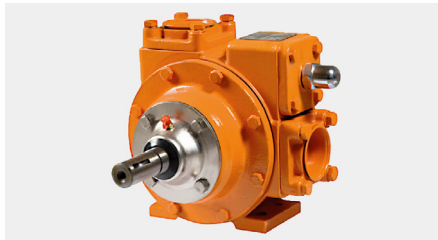

ATEX ex-proof lights:

Portable Rechargeable led lights,
ex-proof mobile phones, taps, air
conditions, junction boxes, plug &
socket, ..etc.

PUMPS:

Gear Pumps, Rotary Vane type
pumps, Submersible pumps, Air
operated Double Diaphragm pumps,
plastic pumps for acids, Lobe pumps,
..etc.

Mobile Fueling Stations:

Mobile Fueling Units, Solar Powered
Mobile Fueling Stations, Fueling
Skids, Pumping Skids, Metering
Skids, LPG Skids, & Container Fueling
Stations.

Mobile Diesel Filtering Units:

Diesel Filtering & polishing units.
Mobile units and fixed Skids.

Air Compressors:

Natural Gas compressors, Rotary
Screw Compressors, and Oil Free
Rotary Screw Compressors. And Air
Blowers.

Aviation & Marin Fueling System:

All Fueling system required for Air
Ports and Marine projects.

Loading Arms:

Top Loading and bottom loading
arms for fuel terminals.

Mobile Cabin Containers:

Cabin accommodation Containers for
Oil & Gas sites, Construction projects,
UN and military camps.

Valves and Actuators:

Valves & Actuators for Oil & Gas
projects, water projects, food and
pharmaceutical industry, Chemical,
and petrochemical industry.
